# NDA-8000-PIP Pendant interface plate, indoor

www.boschsecurity.com

BOSCH

Invented for life

- ▶ Allows installation of your camera to a wall mount (NDA-U-WMT) or pendant pipe mount (NDA-U-PMT)
- ▶ Modular design for fast and easy installation
- ▶ One accessory line for multiple camera families from Bosch
- ▶ Weather resistant finish to maintain cosmetic appearance

This camera-specific accessory is designed for use with the new line of Bosch's universal accessories. The modular camera mounts & accessories are a family of mounts, mounting adapters, pendant interface plates and surveillance cabinets which can be used with a wide range of Bosch cameras. The accessories are easy to install and can be combined to simplify installation in multiple locations whilst retaining the same look and feel.

Functions

The NDA-8000-PIP is designed especially for indoor use with FLEXIDOME IP 8000i.
It provides a safe and robust solution to mount the camera to:
- NDA-U-WMT Pendant wall mount
- NDA-U-PMT Pendant pipe mount
